Prepared by: Peter Lee
Job Title: Senior Business Analyst
Received Date: 3/5/2019

Response Date: 3/7/2019

Question 16: Please, provide all contracts, Service Level Agreements (SLAs) and related correspondence with all contracted vegetation management organizations under contract in the years 2015-2019. Please, provide all correspondences with these contractors. Similarly, please provide all correspondence and reports regarding vegetation management to and from insurers and reinsurers during same time period.

Response to Question 16:

SCE objects to the question as it is overly broad and unduly burdensome to the extent it seeks “all correspondence and reports,” and because it is beyond the scope of the proceeding. SCE’s 2019 Wildfire Mitigation plan is comprised of mitigation and activities SCE plans to undertake in 2019 to reduce wildfire risk. Notwithstanding this objection, SCE responds as follows.

The following vegetation management contractors and their related job functions were contracted from 2015 – 2019.
