**NOTICE OF PUBLIC FORUM
(Public Participation Hearing)
SOUTHERN CALIFORNIA EDISON COMPANY'S (U 338-E)
GENERAL RATE CASE PHASE 2 APPLICATION NO. A.20-10-012**

On October 23, 2020, Southern California Edison (SCE) filed its General Rate Case (GRC) Phase 2 Application (A.20-10-012). In Phase 2, SCE proposes to design rates by incorporating rate changes from other SCE proceedings including SCE's Phase 1 GRC and would be phased in over four years. Rates are designed by dividing approved electric costs among each customer class (residential, commercial, etc.). This results in rates increasing for some customer classes and decreasing for other customer classes;¹ **no new costs are being proposed in this Phase 2 Application.** The California Public Utilities Commission (CPUC) is holding a Public Forum, also called a Public Participation Hearing (PPH), about Phase 2.

How can I participate in the Public Forums?

SCE and the CPUC would like to hear from you. You are invited to participate in the Public Forums, where you can make comments and raise concerns to the CPUC's Administrative Law Judge overseeing this application.

Where and when will these Public Forums be held?

In compliance with the Governor's directive and the CPUC's ongoing efforts to protect customers and community members, this meeting will be held via remote participation using web or teleconferencing.

The Public Forums can be viewed online or heard through the phone as shown below. If you wish to make a comment, please participate by phone using the phone number and passcode below.

¹ If SCE's rate request is approved by the CPUC, the average residential non-CARE monthly bill using 500 kWh per month would increase by approximately \$1.18 or 1.1% per month.

How does the rest of the process work?

This application has been assigned to a CPUC Administrative Law Judge who will consider proposals and evidence presented during the formal hearing process. The Administrative Law Judge will issue a proposed decision that may adopt SCE's application, modify it, or deny it. Any CPUC Commissioner may sponsor an alternate decision with a different outcome. The proposed decision, and any alternate decisions, will be discussed and voted upon by the CPUC Commissioners at a public CPUC Voting Meeting.

Parties to the proceeding are currently reviewing SCE's application, including the Public Advocates Office, which is an independent consumer advocate within the CPUC that represents customers to obtain the lowest possible rate for service consistent with reliable and safe service levels. For more information about the Public Advocates Office, please call (415) 703-1584, email PublicAdvocatesOffice@cpuc.ca.gov, or visit PublicAdvocates.cpuc.ca.gov.
