Question 01 :

Regarding SCE's AFN Plan p.113, Appendix D "Program Participation by Census Tract"¹

a) Please provide the demographics (especially racial/ethnic breakdown and income distribution), if known, for each census tract that received benefits of the following programs:

- i. Self-Generation Incentive Program
- ii. Portable Power Station Rebates
- iii. Portable Generator Rebates
- iv. Whole House Generator
- v. Critical Care Backup Battery Program

Response to Question 01 :

SCE objects to Question 1 because the WMP proceeding is not the appropriate venue for this type of data request. Question 1, by its own terms, is "regarding SCE's AFN Plan" which was filed by SCE in the PSPS OIR proceeding (R.18-12-005), not SCE's 2023-2025 WMP. As such, this data request will not further the ability to make informed public comments on SCE's WMP.

SCE further objects to Question 1 to the extent it seeks demographic data that SCE is not required to collect or report in its AFN Plan, and/or seeks the creation of a new study, analysis, or presentation of data in a format that does not exist.
