**Question 1-4:** Please provide for calendar year 2017, by FERC Account, the annual O&M expense associated with the assets referenced in Question 1-3.

**Response to Question 1-4:**

SCE objects to the question as irrelevant, overbroad, and unduly burdensome. SCE's assets in 2017 and their associated O&M expenses by FERC account are not within the scope of this proceeding. This proceeding relates to the approval of SCE's 2019 Wildfire Mitigation Plan, and the programs and activities stated therein. SCE further notes that transmission assets are generally subject to FERC cost recovery jurisdiction.
