

Southern California Edison Company's Certification of Confidential
Designation Pursuant to the Office of Energy Infrastructure Safety's
Emergency Rules of Practice and Procedure

I, Erik Takayesu, declare and state:

1. I am the Vice President of Asset Strategy and Planning at Southern California Edison Company (SCE). As such, I had responsibility for overseeing and reviewing SCE's response to Question 9 of Data Request **OEIS-SCE-22-003** being submitted to the Office of Energy Infrastructure Safety (OEIS). I am authorized to request confidential treatment via this certification on behalf of SCE.

2. I am making this certification pursuant to California Code of Regulations Title 14, Division 17, Chapter 1, Article 1, § 29200(d). Consistent with that provision, I am "seeking a confidential designation for information that"... "is substantially similar to the previously submitted information and that all the facts and circumstances relevant to confidentiality remain unchanged."

3. Listed below are the data for which SCE is seeking confidential protection and the basis for SCE's confidentiality request.
