Question 02:

Questions 2 - 4 pertain to SCE’s response to data request CalAdvocates-SCE-2025WMP-03, question 1. SCE provides the following screenshot of an asset inspection quality control (QC) dashboard:

Overhead Detailed Inspection – 2023 Results

The screenshot contains a graphic that uses the term “high and moderate non-conformant structures.”

Define “high and moderate non-conformant structures” as used here.

Response to Question 02:

The term “high and moderate non-conformant structures” refers to non-conforming structures that contain either a Level 1 (high) or Level 2 (moderate) condition as defined in General Order No. 95 Rule 18.
