Applicant

Name of Company:

Address:

Address 2:

City:

State:

Zip Code:

Contact

Name:

Title:

Telephone:

Fax:

E-mail:

Generating Facility

Name: *[Generating Facility Name]*.

Location of Site: *[Generating Facility Address]*.

Eligible Renewable Energy Resource Type: Biomass, Fuel: _____.

Description of Plant:

Delivery Point (point of interconnection with transmission service provider):

Contract Capacity: _____ [*Installed capacity minus station use*] MW.

Expected Capacity Factor: _____ % (Applicable only for Less than 1 MW Biomass Standard Contract).

Contract Term

Length of time from the date of firm operation to the end of the contract:

_____ Ten (10) years

_____ Fifteen (15) years

_____ Twenty (20) years

Plant Status

Existing Plant:

Existing Plant: Yes _____, No _____

Existing Contract Expiration Date: _____

Contract ID or QFID, if applicable _____

New Plant:

- Development to be started: _____
- In progress: _____, Tentative completion date: _____
- Completed: _____, Date completed: _____

Interconnection Status:

- Have not applied yet _____, Expected date of application: _____
- Applied _____ Date applied: _____
Expected interconnection studies completion date: _____, OR
If completed, expected interconnection date: _____

Forecasted On-line Date

Latest date anticipated to begin performing under contract:

Seller's Debt and Equity Ratio

Debt _____% Equity _____%,

For Individual Completing Application

Name: _____

Title: _____

Signature: _____

Date Submitted: _____

Attachments

Attachment 1 - Milestone Schedule

Attachment 2 - Revenue Calculator (need the entire file electronically; need only the print-out pages in hard copy)

Upon Completion of the Application

Please send the completed Application (including Attachments – however you may need to send the Revenue Calculator in a ZIP file) by e-mail to: BiomassStandardContracts@sce.com

With three (3) hard copies and a CD of the Application (including Attachments) to:

Renewable and Alternative Power
Southern California Edison
Quad 4-D
2244 Walnut Grove
Rosemead, CA 91770

Attn: Manager of Origination and Analysis

ATTACHMENT 1

Milestone Schedule*

<i>No.</i>	<i>Date</i>	<i>Milestones</i>
1		Submits interconnection application.
2		Files any land applications.
3		Files permit application(s).
4		Files a CEC certification and verification application.
5		Receives a completed system impact study.
6		Obtains control of all lands and rights-of-way comprising the Site.
7		Receives a completed interconnection facility study.
8		Executes a Transmission Owner Tariff and/or applicable distribution service agreement.
9		Receives FERC acceptance of Interconnection Agreement and distribution service agreement(s).
10		Receives all permits.
11		Receives CEC certification and verification.
