Dear Ms. Porter:

Enclosed are Attachment A and substitute Sheet No. 22546-E*. The substitute sheet revises Sheet No. 22546-E in Advice Letter 1259-E. This revision was a result of ORA's protest to Advice Letter 1259-E.

Please replace the enclosed sheets in your master Advice Letter 1259-E file. If you have any questions, please contact René Vazquez at (818) 302-2077.

Re: Substitute Sheets for Advice Letter 1259-E

Dear Ms. Porter:

Enclosed are Attachment A and substitute sheets for Advice Letter 1259-E. These substitute sheets are necessary because it was not possible for Edison to anticipate with certainty the effective date of multiple Advice Letters affecting the same tariff (Preliminary Statement, Part N, Section 2.d.).

The *Risk Management Tools Memorandum Account* was established by Advice Letter 1259-E and became effective December 16, 1997. This memorandum account was designated as Section No. 30 of Preliminary Statement, Part N, in Advice Letter 1259-E; however, another advice letter became effective prior to Advice Letter 1259-E that affected the same tariff which made it necessary to establish a different memorandum account as Section No. 30. The *Risk Management Tools Memorandum Account* is being established as Section No. 31. The substitute sheets (Sheet Nos. 22545-E* and 22546-E**¹) are attached hereto.

Please replace the enclosed sheets in your master Advice Letter 1259-E file. The "Date Filed" and "Effective" areas in the footer location have been completed for your convenience. If you have any questions, please contact Reneé Vazquez at (818) 302-2077.

Sincerely,
