**ADVICE 128-G**  
**(U 338-E)**

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA  
ENERGY DIVISION

**SUBJECT:** Update of Public Utilities Commission Reimbursement  
Account Fees for Fiscal Year 2004-05

In compliance with Resolution M-4813, Southern California Edison Company (SCE) hereby transmits for filing the following changes to its tariff schedules. The revised tariff sheets are listed on Attachment A and are attached hereto.

**PURPOSE**

This advice filing revises: (1) Schedule G-1, Santa Catalina Island – Domestic Service; (2) Schedule G-2, Santa Catalina Island – General Service; and (3) Schedule RF-G, Surcharge to Fund, Public Utilities Commission – Reimbursement Fee to reflect the updated Public Utilities Commission Reimbursement Account Fees (PUCRF) for fiscal year 2004-05.

**BACKGROUND**

Section 431 of the Public Utilities Code provides:

“The commission shall annually determine a fee to be paid by every electrical, gas, telephone, telegraph, water, sewer system, and heat corporation and every other public utility providing service directly to customers and subscribers and subject to the jurisdiction of the commission other than a railroad, except as provided in Article 2 (commencing with Section 421).”

On December 16, 2004, the California Public Utilities Commission (Commission) issued Resolution M-4813, in which the Commission sets forth the levels of PUCRF for fiscal year 2004-05. The currently effective PUCRF of

\$0.00076/per therm is decreased to \$0.00000/per therm, effective January 1, 2005. This advice filing is made in compliance with Resolution M-4813.

This advice filing will not increase any rate or charge to bundled service customers, cause the withdrawal of service, or conflict with any other schedule or rule. This advice filing will decrease rates for all retail customers, but will not cause the withdrawal of service, or conflict with any other schedule or rule.

No cost information is required for this advice filing.

**EFFECTIVE DATE**

In accordance with Resolution M-4813, the changes submitted in this advice filing will become effective on January 1, 2005.
