**ADVICE 1350-E**  
**(U 338-E)**

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA  
ENERGY DIVISION

**SUBJECT:** Revision to Customer Bills (Form 14-574) Pursuant to  
Decision No. 98-07-070 to Reflect Bill Format Changes

In compliance with Decision No. 98-09-070 (D.98-09-070), Southern California Edison Company (SCE) hereby transmits for filing the following changes in its tariff schedules. The revised tariff sheets are listed on Attachment A and are attached hereto.

**PURPOSE**

This advice filing adds language to SCE's Energy Statement, Form 14-574 to include a revenue cycle services credit line item in accordance with D.98-09-070.

**BACKGROUND**

On July 2, 1998, the California Public Utilities Commission (Commission) issued Decision 98-07-032 (D.98-07-032) which resolved issues in Phase I of the applications of Pacific Gas and Electric Company (PG&E), San Diego Gas & Electric Company (SDG&E), and SCE to unbundle portions of metering, billing, and related services, which the Commission referred to as "revenue cycle services." Specifically, D.98-07-032 addressed (1) the number of credit categories that the utility billing systems must accommodate, (2) the method by which each category will be segmented, (3) the units in which credits will be shown on the customer bill, (4) the appropriate bill format, and (5) the method for prorating credits.

On September 17, 1998, the Commission issued Decision 98-09-070 (D.98-09-070) which resolved issues in Phase II of the applications of PG&E, SDG&E, and SCE. The Phase II decision finalized the type of information utilities will provide on customer bills and adopted costing methodologies which will be used as the basis for credits on the bills of customers who choose to subscribe to the revenue cycle services of energy service providers (ESPs).

The bill formats in this advice filing reflect these aforementioned Commission Decisions and their resulting accommodations to appropriately include revenue cycle services credits as a line item on customer bills. Additionally, the revised Energy Statement, Form 14-574 Formats A.1 through L.1, A.2 through L.2, and A.3 through L.3 are printed on the same bill paper stock, see Exhibit 1.

No cost information is required for this advice filing.

This advice filing will not increase or decrease any rate or charge, cause withdrawal of service, or conflict with any schedule or rules.

**EFFECTIVE DATE**

It is requested that this advice filing become effective on the 40<sup>th</sup> calendar day after the date filed which is January 1, 1999. No resolution is required for approval of this advice filing.

**NOTICE**

Anyone wishing to protest this advice filing may do so by sending a letter no later than 20 days after the date of this advice filing. Protests should be mailed to:
