ADVICE 165-G/2477-E
(U 338-E)

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA
ENERGY DIVISION

SUBJECT: Senate Bill (SB) 120 Compliance Filing

In compliance with Senate Bill (SB) 120, Southern California Edison Company (SCE) hereby submits for filing the following changes to its tariff schedules. The revised tariff sheets are listed on Attachment A and are attached hereto.

PURPOSE

This advice filing establishes a Tenant Rights letter, Form 14-814 and modifies SCE's existing 15 Day Notice of Termination – Electric Service, Form CSD 470 for electric customers. In addition, this filing establishes a Tenant Rights letter, Form 14-815G and a 15 Day Notice of Service Termination, Form CSD 470G, for Santa Catalina Island (Catalina) gas customers. These forms will be used to notify tenants of SCE's residential customers and submetered tenants of SCE's master-metered customers of any potential disconnection activity, and to offer the tenant an option to establish service with SCE in his/her name.

BACKGROUND

SB 120, which was signed into law on October, 11, 2009, amends Section 777 and 777.1 of the California Public Utilities Code effective July 1, 2010. SB 120's objective is to inform tenants who are not SCE's customer of record, of an eminent utility shutoff when a landlord fails to pay his/her utility bills.

SB 120 establishes that when there is a landlord¹ -tenant² relationship and a utility

¹ Owner, manager, or operator of the dwelling.

furnishes individually-metered or master-metered residential service to such tenant where the landlord is the utility's customer of record, the utility shall make every good faith effort to inform the tenant(s), in writing, when the account is in arrears, and that service will be terminated at least 10 days (15 days for master-meter tenants) prior to termination. The written notice, which will be either mailed to the residential tenant, or for master-metered customers posted on the door of each residential tenant or in accessible common areas and entry ways, shall further inform these residential tenants that they have the right to become the customer of record without being required to pay any amount which may be due on the delinquent account. The notices are to be written in English, Spanish, Chinese, Tagalog, Vietnamese, and Korean, as specified in Section 1632 of the California Civil Code.

PROPOSED TARIFF CHANGES

In order to comply with the requirements of SB 120 as discussed above, SCE proposes the following tariff modifications:

- SCE establishes a notification letter entitled "Tenant Rights Letter" (Form 14-814 and Form 14-815G). This letter is published in six languages, as required by Section 1632 of the California Civil Code, and will be mailed to affected tenants of detached single-family dwellings and multi-unit residential structures. This letter will advise the tenants of their ability to become a customer of SCE and have service billed to their names without including any past due charges associated with the Landlord's SCE account.
- SCE modifies its existing notification form entitled "15 Day Notice of Termination-Electric Service" (Form CSD 470) to include a toll-free telephone number in Tagalog and to slightly modify the form for clarity. In addition, this filing establishes form entitled "15 Day Notice of Termination" (Form CSD 470G). This form will also be published in the six languages, as required by Section 1632 of the California Civil Code, and will be posted on the doors of affected residential tenants of mobilehome parks, or in the common areas of the mobilehome parks and multi-family accommodations.

TIER DESIGNATION

Pursuant to General Order (GO) 96-B, Energy Industry Rule 5.2, this advice letter is submitted with a Tier 2 designation.

² Residential occupants of a detached single-family dwelling, a multiunit residential structure, mobilehome park, or permanent residential structure in a labor camp, as defined in Section 17008 of the Health and Safety Code.

EFFECTIVE DATE

This advice filing will become effective on July 1, 2010, pursuant to SB 120 and Public Utilities Code Sections 777 and 777.1.

Re: Substitute Sheets for Advice 165-G

Dear Mr. Gatchalian:

Enclosed are an original and four copies of Attachment A and Substitute Sheet Numbers 1253-G* and 1254-G* for Advice 165-G. These substitute sheets are necessary due to SCE revising the original form with the revision suggested and agreed by DRA in response to the protest. The revised version will be used once the current stock of letters (those filed with the Advice 165-G) is depleted. The revised version of Form 14-815G will replace the previously filed version, in its entirety.

Please include the enclosed sheets in your master Advice 165-G and distribute copies to those reviewing the filing. If you have any questions, please contact Betty Bell at (626) 302-4858.

Sincerely,

Lisa Vellanoweth
