PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA
ENERGY DIVISION

SUBJECT: Changes to Gas and Electric Tariff Rule 6, Establishment and Reestablishment of Credit, and Electric Tariff Rule 7, Deposits per Rulemaking (R.) 10-02-005 and Decision (D.) 10-07-048.

In compliance with D.10-07-048, Southern California Edison Company (SCE) hereby submits for filing the following changes to its tariff schedules. The revised tariff sheets are listed on Attachment A and are attached hereto.

PURPOSE

Pursuant to D.10-07-048 Ordering Paragraphs (OP) 2a, 7, and 8, SCE is updating Gas and Electric Tariff Rule 6, Establishment and Re-Establishment of Credit, and Electric Tariff Rule 7, Deposits, to reflect new temporary provisions that will commence on October 1, 2010 and sunset on the effective date of SCE's next electric General Rate Case as ordered in D.10-07-048, OP 15.

BACKGROUND

The California Public Utilities Commission (Commission) issued R.10-02-005 on February 5, 2010, entitled "Interim Decision Implementing Methods To Decrease The Number Of Gas And Electric Utility Service Disconnections." In R.10-02-005, the Commission ordered utilities to implement several interim measures until a Decision was issued.¹ After receiving comments on the Rulemaking and interim measures, the Commission issued D.10-07-048 to conclude Phase I of the proceeding. D.10-07-048 orders the utilities to implement certain measures by October 1, 2010.

D.10-07-048 includes three OPs which require changes to SCE's existing Gas and Electric Tariff Rules including:

¹ R.10-02-005, Section 3, page 5.

OP 2a:

“Pacific Gas and Electric Company, Southern California Edison Company, Southern California Gas Company, and San Diego Gas & Electric Company shall implement the following interim practices by October 1, 2010:

a. Once a California Alternate Rates for Energy or Family Energy Rate Assistance customer has established credit as a customer of that utility, the utility must not require that customer to pay additional reestablishment of credit deposits with the utility for either slow-payment/no-payment of bills or following a disconnection.

OP 7:

“Southern California Edison Company shall provide to all their new customers and to those customers requesting reestablishment of credit after being disconnected, the option of using its DirectPay program in lieu of a cash deposit for credit. This program should clearly explain to customers the implications of participation.”

OP 8:

“Pacific Gas and Electric Company, Southern California Edison Company and San Diego Gas and Electric Company shall file a Tier 1 Advice Letter within one month of the effective date of this decision. The Advice Letter shall indicate changed tariff rules to provide that reestablishment of credit deposits for customers is based on twice the average monthly bill.”

PROPOSED TARIFF CHANGES

In order to comply with D.10-07-048 OPs 2a, 7, and 8, SCE proposes the following tariff modifications to Gas and Electric Tariff Rule Rule 6 and Electric Tariff Rule 7:

- SCE is revising the following provision of Electric Tariff Rule 6, section A.3. to state:

By making a cash deposit to secure payment of bills or Summary Bill(s) as prescribed in Rule 7; or applicant may enroll in Direct Pay in lieu of a cash deposit. Per D.10-07-048, Direct Pay will be offered beginning October 1, 2010, until the effective date of SCE’s next General Rate Case.

- SCE is revising the following provision of Gas Tariff Rule 6, Section A.2. to state:

If applicant makes a cash deposit to secure payment of bills for the service as prescribed in Rule 7; or applicant may enroll in Direct Pay in lieu of a cash deposit. Per D.10-07-048, Direct Pay will be offered beginning October 1, 2010 until the effective date of SCE’s next electric General Rate Case.

- SCE is adding the following provision to Electric Tariff Rule 6, as new Section C.4. to state:

Effective October 1, 2010, until the effective date of SCE's next General Rate Case, all domestic CARE or FERA customers who have already established credit with SCE are not required to pay additional reestablishment of credit deposits following a disconnection of service.

- SCE is adding the following provision to the end of Gas Tariff Rule 6, Section B.1.:

An applicant who previously has been a customer of SCE and whose gas service has been discontinued by SCE during the last twelve months of that prior service because of nonpayment of bills, may be required to reestablish credit by depositing the amount prescribed in Rule 7 for that purpose, and by paying gas bills regularly due; except an applicant for domestic service will not be denied service for failure to pay such bills for other classes or service. Effective October 1, 2010, until the effective date of SCE's next electric General Rate Case, all domestic customers who are reestablishing credit following a disconnection of service shall have the option to enroll in SCE' Direct Pay in lieu of paying a cash deposit.

- SCE is adding the following provision to Gas Tariff Rule 6, as new Section B.3.:

Effective October 1, 2010, until the effective date of SCE's next General Rate Case, all domestic CARE or FERA customers who have already established credit with SCE are not required to pay additional reestablishment of credit deposits following a disconnection of service.

- SCE is revising the following provision of Electric Tariff Rule 7, Section A.1. to state:

1. Establishment of Credit.

Effective October 1, 2010, until the effective date of SCE's next General Rate Case, the amount of deposit required to establish credit for a domestic service account shall be twice the average monthly bill for SCE charges as estimated by SCE. The amount of deposit required to establish credit for a nondomestic service account may be twice the maximum monthly bill as estimated by SCE. However, SCE may, at the time of application, take an estimated deposit amount which is subject to adjustment. For deposits established in CSS after 10/1/94, the deposit amount may be held at either the Customer Account or the Customer level but the amount of

deposit will be determined either singly or collectively at the Service Account(s) level.

- SCE is revising the following provision of Electric Tariff Rule 7, Section A.2. to state:

2. Reestablishment of Credit.

Effective October 1, 2010, until the effective date of SCE's next General Rate Case, the amount of deposit required to reestablish credit for a domestic service account may be twice the average monthly bill for SCE charges as determined by SCE. The amount of deposit required to establish credit for a nondomestic service account may be twice the maximum monthly bill as estimated by SCE. For deposits established in CSS after 10/1/94, the deposit amount will be determined and held as defined in Rule 7.A.1.

- SCE is revising the Gas Tariff Rule 6, to change all instances of "the Company" to "SCE." In addition all Rules were referenced as "Rule No. x," all references will now read as "Rule x."
