ADVICE 2342-E-B
(U 338-E)

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA
ENERGY DIVISION

SUBJECT: Supplement to Submission of Contract for Procurement of
Renewable Energy From SCE's 2008 Renewables Portfolio
Standard Solicitation

PURPOSE

On May 8, 2009, Southern California Edison Company ("SCE") filed Advice 2342-E seeking California Public Utilities Commission ("Commission" or "CPUC") approval of a renewables portfolio standard ("RPS") power purchase agreement (the "Goshen Contract") between SCE and Goshen Phase II LLC ("Goshen"). On June 17, 2009, SCE filed Advice 2342-E-A supplementing Advice 2342-E in order to include the Independent Evaluation Report for Southern California Edison's 2008 Renewable Resource Solicitation, Third Advice Letter Report. The purpose of this advice filing is to further supplement Advice 2342-E in order to include Amendment No. 1 to the Goshen Contract ("Amendment No. 1").

In accordance with General Order ("GO") 96-B, the confidentiality of information included in this advice filing is described below. This advice filing contains both confidential and public attachments. Attachment 1: *Designation of Confidential Information*, is public. Attachment 2: *Amendment No. 1 to the Goshen Contract*, is confidential.

BACKGROUND

On May 8, 2009, SCE filed Advice 2342-E seeking Commission approval of the Goshen Contract. SCE later filed Advice 2342-E-A supplementing Advice 2342-E in order to include the Independent Evaluation Report for Southern California Edison's 2008 Renewable Resource Solicitation, Third Advice Letter Report. On August 20, 2009, SCE and Goshen executed Amendment No. 1, which makes minor corrections to one of the standard terms and conditions in the Goshen Contract.

This advice filing further supplements Advice 2342-E in order to include Amendment No. 1, which is attached hereto as Attachment 2.

CONFIDENTIALITY

SCE is requesting confidential treatment of Attachment 2 to this advice filing. The information for which SCE is seeking confidential treatment is identified in Attachment 1 hereto. The confidential version of this advice filing will be made available to appropriate parties (in accordance with SCE's Proposed Protective Order, as discussed below) upon execution of the required non-disclosure agreement. Parties wishing to obtain access to the confidential version of this advice filing may contact Cathy Karlstad in SCE's Law Department at Cathy.Karlstad@sce.com or (626) 302-1096 to obtain a non-disclosure agreement. In accordance with GO 96-B, a copy of SCE's Proposed Protective Order was provided as Appendix H to Advice 2342-E, filed on May 8, 2009. It is appropriate to accord confidential treatment to the information for which SCE requests confidential treatment in the first instance in the advice letter process because such information is entitled to confidentiality protection pursuant to Decision ("D.") 06-06-066 and is required to be filed by advice letter as part of the process for obtaining Commission approval of RPS power purchase agreements.

The information in this advice filing for which SCE requests confidential treatment, the pages on which the information appears, and the length of time for which the information should remain confidential, are provided in Attachment 1. This information is entitled to confidentiality protection pursuant to D.06-06-066 (as provided in the Investor Owned Utility ("IOU") Matrix, Appendix 1 to D.06-06-066). The specific provisions of the IOU Matrix that apply to the confidential information in this advice filing are identified in Attachment 1.

The confidential information provided in this advice filing cannot be aggregated, redacted, summarized, masked, or otherwise protected in a manner that would allow partial disclosure of the data, while still protecting confidential information, because the RPS contract advice filing template calls for the data to be provided in its present form. SCE would object to any disclosure of the confidential information in aggregated form. Based on the format of the RPS contract advice filing template, SCE is not aware of any manner that the confidential information could be aggregated that would qualify the information for public status under the IOU Matrix of D.06-06-066.

To the best of my knowledge, SCE and the Independent Evaluator maintain as confidential the information contained in this advice filing for which confidentiality is sought. SCE is informed and believes that this information is maintained by SCE's Renewable and Alternative Power Department and the Independent Evaluator and provided internally only to those employees who need to know the information to carry out their job duties. SCE is also informed and believes that this information has not been disclosed to any person other than employees of SCE, the Independent Evaluator, or non-market participants (such as staff of the CPUC).

TIER DESIGNATION

Pursuant to D.07-01-024, Energy Industry Rule 5.3, SCE submits this advice filing with a Tier 3 designation (effective after Commission approval).

EFFECTIVE DATE

SCE requests that this advice filing become effective subject to review and approval by the Commission.

PROTESTS

SCE asks that the Commission maintain the original protest and comment period as designated in Advice 2342-E, filed on May 8, 2009, because this supplemental advice filing is simply providing Amendment No. 1, which makes minor corrections to one of the standard terms and conditions in the Goshen Contract. If protests are allowed, pursuant to GO 96-B, Section 7.5.1, they should be limited to the substance of this supplemental advice filing or additional information.

NOTICE

In accordance with Section 4 of GO 96-B, SCE is furnishing copies of this advice filing to the interested parties shown on the attached R.08-08-009, R.06-02-012, and GO 96-B service lists. Address change requests to the GO 96-B service list should be directed to AdviceTariffManager@sce.com or at (626) 302-2930. For changes to any other service list, please contact the Commission's Process Office at (415) 703-2021 or at ProcessOffice@cpuc.ca.gov.

Further, in accordance with Public Utilities Code Section 491, notice to the public is hereby given by filing and keeping the Advice Letter at SCE's corporate headquarters.
