**ADVICE 60-W**  
**(U 338-E)**

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA  
WATER DIVISION

**SUBJECT:** General Rate Increase for Service Provided to Santa Catalina  
Island Water Customers

In compliance with Resolution W-4665 (the Resolution), Southern California Edison Company (SCE) hereby submits the following changes to its tariff schedule for water service. Revised tariff sheets are listed on Attachment A and are attached hereto.

**PURPOSE**

SCE requests California Public Utilities Commission (Commission) approval of SCE's revised water rate Schedule W-1 as authorized for 2008 pursuant to the Resolution.

**BACKGROUND**

SCE's Catalina water service operation is classified as a Class C water utility serving approximately 1,515 residential and 392 non-residential customers on Catalina Island, which is located approximately 22 miles off the coast of Southern California in the Los Angeles County. Catalina Island's present rates became effective on November 15, 2007, in the first phase of the four-year phase-in plan adopted in the Resolution resolving SCE's 2006 Water General Rate case.

The Resolution issued on November 1, 2007 authorized an increase of \$2,569,390, or 198% relative to 2005 revenues, for an 8.77% return on rate base<sup>1</sup> for test year 2006. This results in Test Year 2006 revenue of \$3,870,000. In order to mitigate impacts to Catalina Island customers, the authorized revenue requirement increase will be phased-in over four years from 2007 to 2010. The Resolution adopted rates

for 2007 and 2008 and approved SCE's proposal to change the current two-tier rate structure to a three-tier structure.

SCE was also authorized to establish the Deferred Revenue Requirement Tracking Account (DRRTA) to track the annual deferred revenue that results from the rate increase phase-in plan. The purpose of the DRRTA is to track that portion of SCE's authorized 2007 and 2008 Catalina Island water revenue requirement that is deferred until such deferred revenue is recovered.

### **PROPOSED CHANGES IN COMPLIANCE WITH THE RESOLUTION**

Pursuant to Ordering Paragraph 1 of the Resolution, SCE seeks approval to:

- revise rates for water service on Catalina Island effective January 1, 2008, pursuant to the Resolution, Appendix C, page 2 of 2 (included as Attachment B to this advice letter).

This advice filing will not cause the withdrawal of service, or conflict with any other schedule or rule.

### **TIER DESIGNATION**

Pursuant to D.07-01-024, Rule 7.3.1 (3), this advice letter is submitted with a Tier 1 designation.

### **EFFECTIVE DATE**

SCE requests that this advice letter become effective on January 1, 2008.
