**Question 006a:**

Re. WMP p. 5-20 and fn 2:

a. Does SCE intend to eliminate its existing wildfire mitigation memorandum account(s) starting in 2021? Does it depend on whether the Commission authorizes the requested WRRMBA? The requested VMBA?

**Response to Question 006a:**

Yes, if the Commission adopts SCE's proposal in its 2021 GRC (A.19-08-013) to establish the Wildfire Risk Mitigation Balancing Account (WRMBA) and the Vegetation Management Balancing Account (VMBA), SCE intends to propose elimination of its existing wildfire mitigation memorandum accounts once the pre-2021 balances have been disposed. *See* Exhibit SCE-07, Volume 1 at p. 32 in A.19-08-013.
