**Question 01:**

Please provide Southern California Edison's Pre-submission 2023-2025 WMP Base Plan filed on February 13, 2023, with the OEIS per the 2023 WMP Guidelines and Schedule document. Including all attachments and associated supporting documents required for the Pre-submission 2023-2025 WMP Base Plan filing

**Response to Question 01:**

Due to large file size, SCE is sending the requested information through Kiteworks. The information being provided are the non-confidential documents SCE submitted to Energy Safety as required per the pre-submission submittal.
