Notice of Southern California Edison's Rate Increase Request

Southern California Edison's Joint Application to the California Public Utilities Commission (CPUC) A. 26-06-019

What is Being Requested?

Pacific Gas and Electric Company (PG&E), San Diego Gas & Electric Company (SDG&E), and Southern California Edison Company (SCE) (jointly the Investor Owned Utilities or IOUs) are filing a joint application proposing to apply their respective Electric Tariff Rules 17 /18, which governs backbillings to all charges on the IOUs' bills, as ordered by the CPUC in Decision 25-09-030.

As part of the joint application, SCE is individually seeking to recover $1.793 million in incremental costs from 2029-2034 to implement billing system changes. SCE has been ordered to propose how to treat backbilling for all charges (bundled and unbundled) on its bill. Based on the year of the highest rate impact, this amounts to a total requested rate increase of 0.001¢/kWh or 0.003 percent.[1]

Proposed Increase by Customer Class

Customer Class	¢/kWh Increase	% Increase
Residential (Non-CARE)	0.001	0.003%
Residential (CARE)	0.001	0.003%
Lighting, Small, & Medium Power	0.001	0.003%
Large Power	0.0004	0.002%
Agricultural & Pumping	0.001	0.002%
Street & Area Lighting	0.0004	0.001%
Standby	0.0002	0.002%

The table shows the requested increase in rates for the year with the highest revenues (2030) compared to current rates. Actual changes in rates may vary by year.

How Would This Impact the Average Residential Customer?

If the request is approved, the average residential customer using 500 kWh per month would see a rate increase of approximately $0.005 per month.[2] Similarly, a typical CARE residential customer using 500 kWh per month would see a bill increase of $0.003 per month.[3] The actual impact will vary based on usage, baseline territory, and other factors.

Additional Information

An administrative law judge may hold hearings, consider evidence, testimony, and public comments before drafting a proposed decision on this application. CPUC Commissioners will then vote on a final decision at a public meeting.

You can read more about the utility's request and make public comment by visiting apps.cpuc.ca.gov/c/A2606019. For questions about participating in CPUC matters, you can contact the Public Advisor's Office at Public.Advisor@cpuc.ca.gov, **1-866-849-8390**, or 505 Van Ness Ave., San Francisco, CA 94102. Please reference A.26-06-019 in any communication with the CPUC.

Questions About the Request

For questions about this application, please contact SCE by: Phone: **1-800-655-4555**; Email case.admin@sce.com ; Mail: Case Administrator, A.26-06-XXX – Rule 17 Application, Southern California Edison Company, P.O. Box 800 Rosemead, CA 91770, or visit www.sce.com/applications for further information.

---

[1] Rate change will vary each year. Percentage calculated using largest rate increase for the application years.

[2] Year 2030 of the application was used to calculate typical customer bill because it is the year with the largest increase of $0.571 M.
