

# POTENTIAL SCE COMMUNITY RESOURCE CENTERS DURING PSPS EVENTS

---

During Public Safety Power Shutoff (PSPS) events, Southern California Edison uses Community Resource Centers and Community Crew Vehicles to provide support to customers in areas most likely to experience shutoffs.

## **Community Resource Centers (CRC)**

CRCs support customers during PSPS and other large public safety activations. Services include information, light snacks and resiliency kits. Customers may charge their mobile devices and portable medical equipment. SCE offers in-language support and accommodates customers with disabilities or other access and functional needs.

SCE has contracted with dozens of sites across high fire risk areas to serve as resource centers during PSPS events. Please find a list below for all contracted sites. See [sce.com/outagemap](https://www.sce.com/outagemap) for open locations during active PSPS conditions.

## **Community Crew Vehicles (CCV)**

In addition to brick-and-mortar CRCs, SCE operates eight mobile units to support customers in communities that do not have a CRC. CCVs provide similar services as CRCs and may be quickly deployed and redeployed to different locations based on developing weather conditions. See [sce.com/outagemap](https://www.sce.com/outagemap) for open locations during active PSPS conditions.

Information regarding which locations are open and hours of operation is posted at [sce.com/outagemap](https://www.sce.com/outagemap). SCE posts this information one day before sites are expected to open, or as soon as site details are confirmed within this one-day window.

**SCE complies with applicable COVID-19 guidelines provided by local and state health agencies.**

## CONTRACTED COMMUNITY RESOURCE CENTER LOCATIONS (AS OF OCT. 1, 2023, SUBJECT TO CHANGE)

FACILITY NAME	STREET	CITY	ZIP CODE
INYO COUNTY			
Tri-County Fairgrounds	475 Sierra St.	Bishop	93514
