

## CHARGE READY TRANSPORT

### Customer-Built Infrastructure Acceptance and Approval Certificate

Each term used herein with its initial letter capitalized and not otherwise defined in this certificate shall have the meaning set forth in the Agreement between Southern California Edison, a California corporation ("SCE"), and \_\_\_\_\_, a Charge Ready Transport Program Participant, effective \_\_\_\_\_.

Program Participant hereby confirms that all Utility-side Infrastructure has been provided by SCE, and Contractor, on behalf of itself and all persons claiming any interest in or through Contractor, and their successors and assigns, does hereby unconditionally and irrevocably waive, release, remise, relinquish, and quit claim all actions, claims, and demands, of any kind whatsoever, which Contractor ever had, now has, or may have in the future, known or unknown, against SCE in connection with, relating to, or arising out of the Infrastructure or this Agreement.

\_\_\_\_\_ (Program Participant)  
(Print name)

Signature: \_\_\_\_\_

Title: \_\_\_\_\_

Date: \_\_\_\_\_

### Project Follow-Up Contact Information

**Please provide at least one contact for Vehicle Compliance and Charging Optimization follow-up.** SCE will conduct annual check-ins to verify that your vehicle acquisitions comply with your project agreement and to offer a complimentary analysis of your charging data to identify cost-saving opportunities.
