

CHARGE READY TRANSIT BUS PROGRAM APPLICATION

APPLICANT INTEREST SECTION

1.	Applicant: (Enter full name of Applicant.) <input type="text"/>		
2.	SCE Account Number: If you are already an SCE customer, enter your Customer Account Number. Please have the following information ready: <ul style="list-style-type: none"> • Primary Name on Account • Federal Tax ID Number • Corporate Address • Corporate Phone Number • Corporate Officer, Title, Address, and Phone Number <input type="text"/>		
3.	Federal Tax ID Number: Enter your organization's Federal Tax ID Number. SCE must report certain payments (such as rebates payable under the Charge Ready Transit Bus Program) to the tax authorities. Enter 99-9999999 if you are a government agency without a Federal Tax ID Number. <input type="text"/>		
4.	Name of Contact Person: Enter the name of the primary contact representing your organization for the Charge Ready Transit Bus Program. The contact person will be the liaison for your organization and will interact with the SCE Account Manager assigned to this Application. <input type="text"/>		
5.	Email: Enter the Contact Person's email address. <input type="text"/>	6.	Phone Number: Enter the Contact Person's phone number. <input type="text"/>
7.	Name of SCE Account Manager, if known (optional): Please include the name of your SCE Account Manager, if you know it. If you do not have an assigned Account Manager (or do not know the name of your Account Manager), we will identify an Account Manager to process the Application and guide you through the process. Your Account Manager will reach out to your Contact Person to discuss potential participation in the Charge Ready Transit Bus Program. <input type="text"/>		
8.	How did you hear about the Program? Indicate how you became aware of the Charge Ready Transit Bus Program. <input type="text"/>	9.	Charging Station Supplier Company Name (optional): If you know the company name of the Charging Station Supplier from whom you plan to purchase the charging stations, please enter below. <input type="text"/>
10.	Name of Charging Station Supplier Contact Person (optional): Enter the name of the Charging Station Supplier's contact person. <input type="text"/>		
11.	Phone Number (optional): Enter the phone number of the Charging Station Supplier's contact person. <input type="text"/>	12.	Email (optional): Enter the email address of the Charging Station Supplier's contact person. <input type="text"/>

DEPLOYMENT SITE

13.	Site Description: Enter a brief description of the site where you are requesting deployment of new charging stations through the Charge Ready Transit Bus Program, e.g. "north side of depot". <input type="text"/>
14.	Site Address: Enter the street address of the site where you are requesting deployment of new charging stations. <input type="text"/>

CHARGE READY TRANSIT BUS PROGRAM APPLICATION

DEPLOYMENT SITE (continued)			
15.	<p>City, State, Zip: Enter the City, State, and full zip code for the site where you are requesting deployment of new charging stations.</p> <input style="width: 100%;" type="text"/>		
16.	<p>Existing SCE Service Account Number at the site: If the site is already serviced by SCE, enter the primary SCE Service Account Number.</p> <input style="width: 100%;" type="text"/>		
17.	<p>Is Applicant the legal owner of the site: Are you the property owner of the site? Participation in the Charge Ready Transit Bus Program requires that the site owner (individual or organization holding title of the site) must execute the Transit Bus Program Agreement and grant SCE an easement in the property where the charging infrastructure will be deployed. Please refer to the Sample Easement Agreement for more information.</p> <p style="text-align: center;"> <input type="checkbox"/> Yes <input type="checkbox"/> No </p>		
18.	<p>If No, List Name of Property Owner: Enter the name of the Property Owner of the site.</p> <input style="width: 100%;" type="text"/>		
19.	<p>Property Owner's Address: Enter the Property Owner's mailing address. If you are the Property Owner, but use a mailing address different from the site's address, enter it here.</p> <input style="width: 100%;" type="text"/>		
20.	<p>Name of Property Owner Contact Person: Enter the name of the Contact Person for the Property Owner.</p> <input style="width: 100%;" type="text"/>		
21.	<p>Email: Enter the email address of the Contact Person for the Property Owner.</p> <input style="width: 100%;" type="text"/>	22.	<p>Phone Number: Enter the phone number of the Contact Person for the Property Owner.</p> <input style="width: 100%;" type="text"/>
23.	<p>County Tax Assessor Parcel Number: Enter the County Tax Assessor Parcel Number of the site. This is the number assigned to the site by the county's tax assessor and may be referred to as assessor's identification number, property identification number, property account number, or property tax account number. Enter 9999-999-999 if you are a governmental agency without a County Tax Assessor Parcel Number.</p> <input style="width: 100%;" type="text"/>		
24.	<p>AHJ (Authority Having Jurisdiction – city, county or special entity issuing building permits and certificates of occupancy) for the site: Enter the name of the city, county or special entity issuing building construction permits for the site. Enter N/A if you are a governmental agency with no AHJ.</p> <input style="width: 100%;" type="text"/>		
25.	<p>Does the site have access restrictions requiring SCE or its contractors to schedule visits in advance? Indicate if SCE representatives or contractors may freely access the site, including parking spaces. We may conduct several on-site assessments to determine the feasibility of deploying charging stations through the Charge Ready Transit Bus Program. If Yes is selected, we will schedule all visits to the site with your Contact Person.</p> <p style="text-align: center;"> <input type="checkbox"/> Yes <input type="checkbox"/> No </p>		
26.	<p>If the site does not have access restrictions, would you like to be notified prior to SCE or its contractors visiting the site? Indicate if you would like prior notification whenever SCE representatives or contractors visit the site (if freely accessible). If Yes is selected, we will notify your Contact Person of all visits to the site(s).</p> <p style="text-align: center;"> <input type="checkbox"/> Yes <input type="checkbox"/> No </p>		

CHARGE READY TRANSIT BUS PROGRAM APPLICATION

CURRENT ELECTRIC VEHICLE ADOPTION ON-SITE

27.	<p>Approximately how many, if any, Electric Buses do you currently own? Enter the number of Electric Buses owned by your Organization. Information is subject to verification by SCE.</p> <input style="width: 100%; height: 40px;" type="text"/>
28.	<p>How many Electric Buses, if any, are you planning to procure and have delivered in the next 12 months? Enter the number of Electric Buses to be procured by your organization within the next 12 months. Information is subject to verification by SCE.</p> <input style="width: 100%; height: 40px;" type="text"/>
<p>a. When will the Electric Buses be delivered?</p> <input style="width: 100%; height: 20px;" type="text"/>	
29.	<p>How many, if any, Charge Ports do you currently have on-site that are used exclusively by Electric Buses? Enter the total number of Charge Ports already deployed at the site that are dedicated to Electric Buses only. Please provide the number of Charge Ports, not the number of charging stations. Information is subject to on-site verification by SCE. Charging stations may have one or several charge ports (individual connectors, typically one to four per charging station). Charge Ports must be able to charge simultaneously in order to be counted.</p> <input style="width: 100%; height: 40px;" type="text"/>
30.	<p>Bus route(s) the Electric Bus(es) will be serving.</p> <p>A. Please list the bus route(s) that will be served by the Electric Bus(es):</p> <input style="width: 100%; height: 40px;" type="text"/> <p>B. Please provide the total miles of the route(s)</p> <input style="width: 100%; height: 40px;" type="text"/> <p>C. Please provide the approximate number of those miles that transit a disadvantaged community (DAC) as identified by CalEnviroScreen.</p> <input style="width: 100%; height: 40px;" type="text"/>

CHARGE READY TRANSIT BUS PROGRAM REQUEST

<p>Technical specifications of Electric Vehicle Supply Equipment should meet those set forth by SCE in the Technical Requirements Form</p>	
31.	<p>Total number of additional Transit Bus Charge Ports desired at site: Enter how many Transit Bus Charge Ports you are requesting as part of this application to the Charge Ready Transit Bus Program. If unsure, leave blank. Deployment needs can be discussed with your SCE Account Manager.</p> <input style="width: 100%; height: 20px;" type="text"/>

CHARGE READY TRANSIT BUS PROGRAM APPLICATION

FACILITY AVAILABILITY FOR EV ACCESS AND CHARGING

32.	<p>Preferred Charging Station Location (e.g., East Parking Lot on Michigan St; 1st Row)</p> <p>1st Choice (optional): <input type="text"/></p> <p>2nd Choice (optional): <input type="text"/></p> <p>3rd Choice (optional): <input type="text"/></p> <p>If unsure or unknown, leave blank. You may propose and describe up to three alternative locations within the site for consideration by SCE to deploy charging stations under the Charge Ready Transit Bus Program. These locations must be highlighted in the site plan and uploaded on the following page. While SCE will take into consideration these preferences, SCE may identify a different location based on multiple considerations, including existing utility infrastructure and estimated cost of deployment. You will approve the actual deployment location as part of the Agreement with SCE.</p>
33.	<p>Proposed Charging Station Location Type: Identify the type of parking location for the charging stations you are requesting.</p> <p><input type="checkbox"/> Grade-level parking lot</p> <p><input type="checkbox"/> Above-grade multi-story parking structure</p> <p><input type="checkbox"/> Subterranean parking structure</p> <p><input type="checkbox"/> Other: <input type="text"/></p>
34.	<p>Do you have plans to add a Solar PV system or Energy Storage system to serve the Charging Stations? Deployment of solar photovoltaic and energy storage systems is not covered by the Charge Ready Transit Bus Program. However, you must indicate if you intend to deploy such systems as they will likely inform the design and planning of the infrastructure for the Charge Ready Transit Bus Program.</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No</p>

PLEASE SEND THE FOLLOWING DOCUMENTS TO COMPLETE THIS APPLICATION

35.	<p>Site plan showing your preferred location choices: Aerial Satellite image of your depot (Google Maps) with boxes placed around preferred charging station deployment location. Email to ChargeReadyBus@sce.com. Please refer to the Site Plan Instructions to create the file.</p>
36.	<p>Civil plan with existing utilities for the site (aka, base map), if available (optional) Please refer to Civil Plan Example to create the file and email to ChargeReadyBus@sce.com.</p>

This Application will be signed via DocuSign. After Applicant has emailed the completed Application to ChargeReadyBus@sce.com, SCE will return the Application to the customer for electronic signature.
