Overview

This user guide covers various features and functions of the Charge Ready Application Portal for the New Construction Rebate (NCR) program.

This document is intended for users who will submit requests for NCR rebates. These roles are:

- Customers
- Charge Ready Trade Professionals

What is NCR?

The New Construction Rebate (NCR) is a program under the larger eMobility Transportation Electrification (TE) Charge Ready (CR) program. It is used to submit requests for rebates for the installation of charging stations at new, multi-family sites.

This user guide is to support the training of the Charge Ready Application Portal tool that supports the NCR program.

*For more information about Site and Participant Eligibility, refer to the NCR Program Guideline and Fact Sheet documents.*

Project Workflow

When completing a New Construction Rebate request, the following processes take place:

1. Customer or Charge Ready Trade Professional completes a Project Submission form.

2. SCE reviews the form for completeness. If incomplete, notifies applicant of information needed for completion.

3. Customer completes Pending Installation and Incentive Request form, along with applicable attachments (only after installation occurs).

4. SCE completes the Incentive QA Review, and identifies if site inspection is required.

5. SCE schedules and conducts a site review and completes Incentive Site Review form, if required.

6. SCE approves or rejects the payment for a project.

For more information about the program, refer to the NCR Program Guidelines and Fact Sheet.

Program Forms

The NCR program consists of two forms (or tasks), and each form has multiple sections. Depending on the phase of the process, form sections and fields may be:

- Unpopulated and fillable (required or optional)
  - Required fields are marked with a red asterisk *
- Auto-populated and editable
- Auto-populated and read-only
- Conditionally visible based on the values in other fields
Accessing the Charge Ready Application Portal

You can access the Charge Ready Application Portal through SCE.com. To access the portal, follow the steps below:

   The Welcome to your Charge Ready Application Portal page displays.

2. Enter your Email.
3. Enter your Password.
4. Click Sign In.

The Applications page displays.
Accessing the Charge Ready Application Portal for Charge Ready Trade Professionals

If you are a Charge Ready Trade Professional, you must have access to the Charge Ready Trade Ally Community (TAC) Portal. You and your company must also be approved by SCE to apply for rebates on behalf of the customer(s).

To access the portal as a Charge Ready Trade Professional, follow the steps below:

1. Navigate to the Trade Ally Community Portal: https://sce-chargeready.force.com/s
   The TAC landing page displays.

2. Select Login or Login to Your Account.

   ![Login to Your Account](image)

   The Login page displays.

3. Enter your Email.
4. Enter your Password.
5. Click Log In.

   ![Login](image)

   The TAC Home Page displays.

Note: If the My Projects tab is not on the screen, your company profile is not yet approved as a Charge Ready Trade Professional.

The **My Projects** page displays.

7. Click **Apply by Program**.

The **Charge Ready Application Portal** opens and the **Applications** page displays.

*For more information about Charge Ready Trade Professionals, refer to the Charge Ready TAC Fact Sheets and Program Handbook.*
Project Submission

The Project Submission form is submitted by the Customer or Charge Ready Tarde Professional through the Charge Ready Application Portal. By completing this form, participants request to reserve funding for a rebate.

Eligible participants complete this form prior to the purchase or installation of qualifying Electric Vehicle (EV) equipment. The NCR rebate only applies to newly constructed, multi-family site customers, which are defined as:

- Residential Properties
- Apartment Buildings
- Retirement Communities, Townhomes, Condominiums

Once a Project Submission is complete, SCE determines the eligibility for program participation.

For a full list of eligible participants, or for more information about the program, refer to the NCR Program Guidelines and Fact Sheet.

Appendix A: Charge Ready Trade Professionals Submitting an Application for a Customer without an Existing Account

If you are a Charge Ready Trade Professional submitting an application on behalf of a customer, there may be times when:

- A Customer does not have any existing site in the SCE territory, AND does not have an SCE Customer Account Number

To submit an application for a customer without an existing site or an SCE Customer Account Number, follow the steps below:

1. Direct the customer to request a new account by emailing ChargeReady@sce.com. In the email, they should include the following details:
   - Subject Line: New Customer Request
   - Body of email:
     - Company Name
     - Company Address
     - Contact Name
     - Contact Email Address
     - Project Address or Adjacent Address

   The Charge Ready team will create an account, and email the customer their Customer Account Number.

   **IMPORTANT: The customer must share their account number with you.**

2. Once received, enter the Customer Account Number and the Project Zip Code when identifying the customer on the application to proceed with the project.
