^[1] SCE's 2018 LCR RFP Update presentation was a CAM agenda item. The summary of the 2018 LCR RFP Update will be provided to the CAM group in a separate email.

ATTENDEES:

CUE: Robert Earle

Energy Division: Eric Dupre, Michele Kito, Judith Ikle, Simone Brant, Brandon Gerstle, Jaime Gannon

ORA: Michael Yeo

TURN: Kevin Woodruff

Earth Justice: Matt Vespa

SCE: David Balandran, Colin Cushnie, Jabari Martin, Shawn Smith, Phil Schofield, Saul Vazakas, John Zoida, Dawn Anaiscourt

ACTION ITEMS:

Summary of Contract Management Activities Q2 2018

1. From a broad perspective, is Ivanpah delivering the way it is supposed to?
2. From slide 7, what was the problem that led to the generator stator failure – for instance, was it a technical issue that led to the force majeure claim?

Summary of Power Procurement Activities Q2 2018

1. SCE will check with its engineering group to determine if it has experience working with biogas and delivering it to the gas system?
2. DRAM – Did SCE have any shortlisted parties drop out of the DRAM solicitation?
