

Find Your Rotating Outage Group in SCE.com My Account

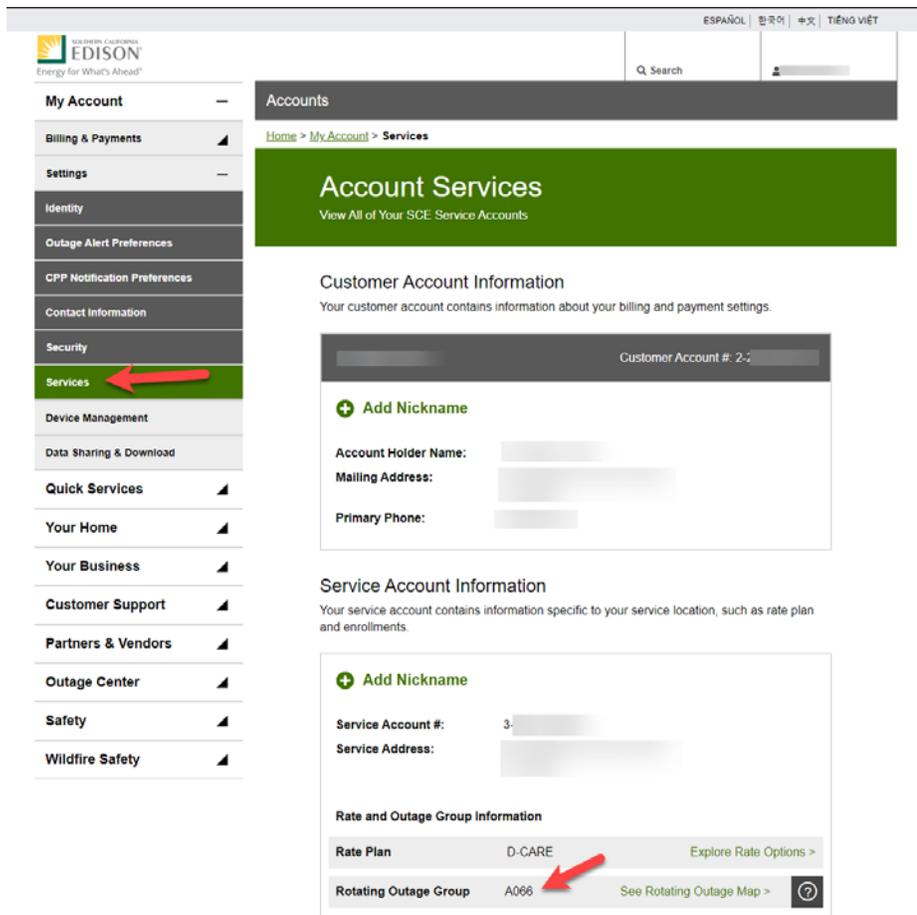

Step 1: Log in and Click on Settings

The screenshot shows the SCE.com My Account page. The navigation menu on the left includes: My Account, Billing & Payments, Settings (highlighted with a red arrow), Device Management, Data Sharing & Download, Quick Services, Your Home, Your Business, Customer Support, Partners & Vendors, Outage Center, Safety, and Wildfire Safety. The main content area displays 'My Account Overview' and 'Your Bill' section with a balance due of \$0.00. Below the bill, there are buttons for 'View Bill', 'See Bill Inserts >', 'More Ways to Pay >', and 'Pay Now >'. A note indicates 'You are currently enrolled in Auto Pay'. At the bottom, there are buttons for 'View Usage >', 'View/Manage Accounts >', and 'Go to Billing & Payments >'. A 'More Payment Options' section is also visible, explaining the Guest Payment option.

Log in to SCE.com My Account and click on “Settings” in the navigation.

Step 2: Click on “Services”

The screenshot shows the SCE.com Account Services page. The navigation menu on the left includes: My Account, Billing & Payments, Settings, Identity, Outage Alert Preferences, CPP Notification Preferences, Contact Information, Security, Services (highlighted with a red arrow), Device Management, Data Sharing & Download, Quick Services, Your Home, Your Business, Customer Support, Partners & Vendors, Outage Center, Safety, and Wildfire Safety. The main content area displays 'Account Services' and 'Customer Account Information' section. Below this, there is a 'Service Account Information' section. At the bottom, there is a 'Rate and Outage Group Information' section with a table:

Rate and Outage Group Information		
Rate Plan	D-CARE	Explore Rate Options >
Rotating Outage Group	A066	See Rotating Outage Map >

Click on “Services” in the navigation and your Rotating Outage Group can be found under “Service Account Information”.
