The image shows the front facade of a large, multi-story building made of light-colored stone or concrete. The words "SOUTHERN CALIFORNIA EDISON COMPANY" are carved into a horizontal band above the main entrance. The entrance features three large, arched windows with dark frames and metal grates. To the left and right of the main entrance are smaller, narrow windows with decorative arches. An American flag is visible on a tall pole to the right. In the foreground, a green lawn is visible, and a few people are standing near a metal railing on the left side.

Questions and Discussion

The image shows the front facade of a large, classical-style building made of light-colored stone or concrete. The words "SOUTHERN CALIFORNIA EDISON COMPANY" are carved into the upper part of the facade. Below this, there are three large, arched windows with dark frames. The ground in front of the building is covered with green grass, and a few people are visible on the left side. An American flag is flying on a tall pole on the right side of the building.
