

Multi-Unit Dwelling – Sample Email Invitation and Parking Questionnaire

Sample Email Invitation

Subject Line: Help Us Better Meet The Needs of Our Residents. Please Complete This 2-3 Minute Survey about Electric Vehicles.

Body of Email:

We would like to hear from our residents at [\[insert Site Name\]](#) about your current and future plans for driving electric vehicles (EVs).

Your responses will help ensure we plan for an appropriate number of EV charging stations to accommodate the current and future needs of our residents.

The survey will take 2-3 minutes to complete, and all responses will remain completely confidential.

If you have any questions about this survey, please contact [\[Insert Contact Name\]](#) at [\[insert Contact Email Address\]](#).

Thank you for your participation.

Sincerely,

[\[Insert Contact Name\]](#)
[\[Insert Organization's Name\]](#)

Parking Questionnaire

Thank you for taking the time to complete this brief questionnaire to help us better meet our residents' current and future parking needs.

Employment

1. Are you currently employed? Select one.

- Yes
- No [skip to question 3]

Length of Commute

2. How many miles is your commute to work (one-way)? Select one.

- Less than 5 miles
- 5-9 miles
- 10-19 miles
- 20-29 miles
- 30-39 miles
- 40-49 miles
- 50 or more miles
- Not applicable / Work at home

Assigned Parking

3. At your residence, do you have an assigned parking space(s) for your exclusive use? Select one.

- Yes, I have an assigned parking space(s) for my use only
- No

EV Ownership

4. Do you own (or lease) an electric vehicle (EV)? Select one.

NOTE: By electric vehicle, we mean either a Battery Electric Vehicle (BEV) that uses electricity only (no gasoline) or a Plug-In Hybrid Electric Vehicle (PHEV) that uses both gasoline and electricity. Hybrid vehicles are only considered to be EVs if they plug-in.

- Yes, I own a BEV (e.g., Nissan LEAF, Tesla, etc.)
- Yes, I own a PHEV (e.g., Prius Plug-in, Chevy Volt, etc.)
- Yes, I own both a BEV and PHEV
- No, I do not own an EV [skip to question 8]

EV OWNERS ONLY

Charging Location

5. Where do you currently charge your electric vehicle (EV)? Check all that apply.

- At my residence
- At someone else's home
- At my workplace
- At the dealership or dealer-owned charging stations
- At shopping centers or other public parking lots
- Other (please specify where) _____

Charging at Residence If New/Additional Charging Stations Were Installed

6. If new electric vehicle (EV) charging stations were available to you in a convenient location at your residential complex, how often would you use these charging stations? Select one.

Assume the cost for charging your vehicle would be comparable to most other places.

- 6 or 7 days a week / everyday
- 4 or 5 days a week
- 2 or 3 days a week
- Once a week or less often
- Never

[This is the final question for EV Owners. Skip to Closing.]

NON-EV OWNERS ONLY

Intent to Buy an EV

7. How likely are you to purchase or lease an electric vehicle (EV) in the next two years? Select one.

- Very likely to purchase an EV in the next 2 years
- Somewhat likely
- Not very likely
- Not at all likely to purchase an EV in the next 2 years

Intent to Buy EV If New / Additional Charging Stations at Residence

8. If new electric vehicle (EV) charging stations were available to you in a convenient location at your residential complex, how likely would you be to purchase or lease an electric vehicle (EV) in the next two years? Select one.

- Very likely to purchase an EV in the next 2 years
- Somewhat likely
- Not very likely
- Not at all likely to purchase an EV in the next 2 years

CLOSING: Thank you for completing this questionnaire.
