- GO 156
 - Adopted by the CPUC in 1986, with electric procurement added in June 2011 in Decision (D.)11-05-019 including separate WMDVBE reporting requirements on spending on electric procurement, among other provisions. D.15-06-007 has expanded the definition of minorities to include Lesbian-, Gay-, Bisexual-, and Transgender-owned (“LGBT”) DBEs in GO 156. The decision has also provided for a five year implementation plan, among other provisions for the inclusion of LGBTs.

 - Sets the rules governing among other things, goals, annual reporting, and annual planning in the development of programs to increase participation of DBEs in procurement of contracts from utilities as required by CPUC Code.
