

New Reservation Policy Coming in 2018

In our continued effort to refine and improve our reservation system the following changes will take place in 2018.

- **January 1st – 15th** we will accept reservation request forms by email, fax or US mail for Group sites A – K if booking **7 - 14 nights**. Requests will be processed lottery style starting the first working day after the 15th. You will be able to reserve single sites along with the group sites if needed. Please note, if you reserve a group site with single sites during this time you may not cancel the group site and keep the single sites. You have to cancel all or just the single sites. Requests received after January 15th will be processed in order received.
- **February 1st (5am) online** reservations will open for single or group site reservations if booking **7 - 14 nights**.
- **March 1st (5am) online** reservations will open for single or group site reservations if booking **6 nights or less**.
- Summer season rates May 15 – Oct 14.
Off Season rates (\$35 per night, extras included) Oct 15 – May 14.

Any reservations processed during the months of January and February must keep a minimum of 7 nights. If you do not wish to reserve your site online or if you are reserving a tent trailer or travel trailer you may send us a reservation request form by email, fax, or US mail and they will be processed in order received. These requests will be accepted during the same time frame as listed above for online reservations. If reserving Tanager, Towhee, Warbler, Chickaree or Tournament areas you may send your reservation request by email, fax, or US mail January 1st and it will be processed the starting the first working day after January 1st. The link to online reservations and reservation request form can be found on our website.
